

Office Fundraising Tips

How to raise funds in your workplace for HeartKids NSW:

Host a fundraiser in your office:

Why not host an event in your office – organise a team activity. Dress in red for the day, have a bake off or even hold a dinner party! This is a great way to engage employees and boost team morale.

Have a HeartKids donation tin at your office:

It is easy just to leave a HeartKids donation tin and your reception for staff & visitors to donate whatever they can. Over time it collects a great amount of funds that make a real difference.

Create a Heart Heroes Team:

Run, walk or cycle alongside your colleagues in a team challenge for HeartKids NSW. You can create a team in an existing event (eg –City2Surf) or create your own. You can create your own Run/Walk/Cycle or any challenge event on HeartKids NSW Everyday Hero page:

<https://everydayhero.com.au/event/getactiveforheartkidsnsw>
